

## 8RecR themes

All 8RecR books are identified by this symbol on the spine of the book:

The THEMES are also identified by special spine labels as follows, but remember that most books will blend more than one theme.

Adventure - thrillers, travels, escapes

Fantasy - other worlds where magic can happen

History - stories about events from the past

Humour - whatever makes you laugh

Real stuff - about real events and real lives

People - about families, friends and sometimes strangers

## Science Fiction - space travel, time shifts, mind play

Click on the symbols to see which books are listed under each theme. Follow the links there to find out more about the story and its author.
