We would like to welcome all new parents and students to Cleveland District State High School.

We offer a large range of healthy food choices for your children, which is always prepared fresh daily. If dietary requirements need to be met this must be pre-ordered.

Our school also offers an online ordering facility through FlexiSchools. It is recommended and we do encourage middle school students to pre-order before school at the tuckshop or through FlexiSchools (Visit www.flexischools.com.au for more information).

Volunteers are always welcome as they are a vital part in running our school canteen. Once a month on your chosen day is ideal. The hours are 9am – 2pm with a free lunch and lots of laughs. This is a great way to witness a day in the life of your new high school student.

We are always open to new ideas or suggestions. If you would like to see something on our menu that isn’t currently there please do not hesitate to give me a call or pop in for a chat.

Attached for your convenience is a nomination slip for your preferred days if you do choose to volunteer.

Please contact our convenor Karen Cranidge on 3286 2590 or 0468 901 225 for any further information.

Kind regards

Karen Cranidge
